Chapter 2

Chapter 2, done! So, we're planning on doing 2 chapters a week. Why? This series is really easy to do, not to mention it's a very fun series. We'll be doing 2 a week until we catch up to raw, which will be a while. This will be a Wednesday series. If your site doesn't get it Wednesday, that's your own fault. With all that said and done, we're looking forward to bringing you more of God Among Men.
